

Humble ISD Trustee Conservative Candidate Panel Discussion

Have you ever found yourself faced with an important local school board election with no information on who's running or which way the candidates lean?

To avoid this situation, please consider coming to the upcoming Humble ISD Conservative Candidate Trustee Discussion Panel. Both incumbent and non-incumbent conservative candidates interested in running in the May 2025 election will be present.

You will hear directly from the candidates as they answer questions from local conservative community leaders about the issues affecting our schools.
